MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Ceiling for audit positions in DD/P

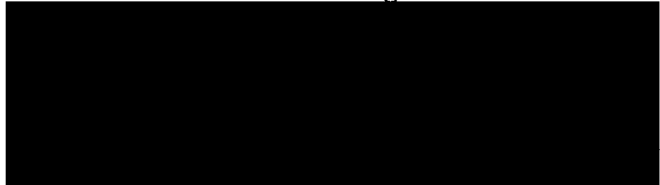

1. Reference is made to the attached memorandum from the Auditor-in-Chief concerning the above subject. The current authorized ceiling for audit positions in the DD/P is as follows:

Far East	5
	5
	1

25X1A6a

2. The original ceiling of audit positions for the Far East allotted to DD/P on 31 July 1953 was 3. In a memorandum dated 3 November 1953, I asked your office to increase the Far East audit ceiling from 3 to 5. This request was approved by you on 2 December 1953 and to our knowledge the DD/P ceiling has not been increased in the Far East area beyond 5 for audit positions. This fact has been verified also with the Office of Personnel.

3. In view of the above I cannot concur in the Auditor-in-Chief's request that we reduce the DD/P audit ceiling in the Far East from 6 to 5 since it has never been increased above that latter figure.
